Dear Parent/Guardian,

Re: Parking arrangements for the Open Evening 2018.

With an increase in the number of pupils expected to start at Gŵyr in September 2019, we foresee that access to and parking on the main school campus could be an issue. Therefore there will be **no access** to the main school campus via the usual route of using Talbot Street and we would ask you to use other parking locations available:

- Gowerton Library car park and our back car park accessed by the Library,
- our school bus bay on Park Road, Gowerton,
- Gowerton village car park by the Commercial Inn.

We would also advise that there is always traffic congestion in Gowerton village at the same time as our Open Evening and therefore we advise you to consider this fact in your travel arrangements as we hope to start promptly at 6 pm.

Thank you for your co-operation and we look forward to welcoming you to Gŵyr.

Yours sincerely,

Mrs Emma Morris
