Annwyl Rieni/Warcheidiaid

Wrth i ni ddechrau tymor yr haf mae'n braf iawn gweld ein holl blant a phobl ifanc yn ôl yn yr ysgol gyda'r gobaith bod y sefyllfa sy'n gwella yn parhau.

Nid wyf yn ymddiheuro am ddiolch i'n gweithlu ysgol rhyfeddol unwaith eto a gobeithio, gyda chefnogaeth cymuned ein hysgol gyfan, y gall ein plant a'n pobl ifanc gael tymor llawn yn ôl yn yr ysgol gyda'u ffrindiau, ond i'r sefyllfa well barhau, rydym ni angen eich cefnogaeth.

### **Profion Llif Unffordd Gwirfoddol i flynyddoedd 7 ac uwch**

Mae Llywodraeth Cymru wedi cyhoeddi y bydd y cynnig o brofion llif unffordd asymptomatig rheolaidd yn cael ei ymestyn i bob disgybl ysgol uwchradd. Bydd y citiau profi cartref llif unffordd yn caniatáu i fyfyrwyr brofi eu hunain ddwywaith yr wythnos. Bydd dysgwyr yn gallu casglu eu citiau prawf o'u hysgol / lleoliad a byddant yn profi eu hunain gartref. Mae'r profion hyn yn parhau i fod yn rhan o ystod o fesurau sydd ar waith i helpu i reoli trosglwyddiad y firws. Mae'r cyfrifoldeb am reoli sefyll ac adrodd am y profion gyda rhieni / gofawyr a phobl ifanc. Os dewiswch chi gynnal y profion yna mae'n bwysig iawn bod unrhyw ganlyniadau cadarnhaol yn cael eu hadrodd a bod gofynion hunan-ynysu yn cael eu bodloni. Gobeithiaf hefyd y byddant yn rhoi rhywfaint o sicrwydd ychwanegol y bydd unrhyw achosion cadarnhaol yn cael eu nodi'n gynnar.

### **Masgiau**

Bydd gofyn i ddisgyblion yn ein hysgolion uwchradd wisgo mwgwd yn yr ysgol os na allant gadw'r pellter gofynnol oddi wrth eraill. Mae pob disgybl ysgol uwchradd wedi cael tri masg o ansawdd da y gellir eu golchi hyd at 50 gwaith.

### **Negeseuon allweddol ar gyfer cadw'n ddiogel**

Mae'n hanfodol bod ein plant a'n rhieni yn parhau i gadw at yr holl reolau o dan ein haen o gyfyngiadau er mwyn galluogi llacio rheolau ymhellach. Mae'r rhain yn cynnwys:

- Cadw'ch pellter wrth gatiâu'r ysgol wrth ollwng a chasglu'ch plant. Peidiwch â chasglu mewn grwpiau wrth gatiâu'r ysgol er y demtasiwn i stopio am sgwrs.
- Sicrhau nad yw plant yn cymysgu y tu allan i'r ysgol, gan gynnwys cysgu dros nos neu bartïon.

- Peidio ag anfon eich plant i'r ysgol os ydyn nhw'n teimlo'n sâl hyd yn oed os nad oes ganddyn nhw'r prif symptomau coronafirws.

Mae ysgolion mor ddiogel ag y gallant fod felly parhewch i chwarae eich rhan i atal y firws rhag lledaenu - mae'r ffigurau'n parhau i wella ond nid yw wedi diflannu.

Yn gywir

Helen Morgan-Rees  
Cyfarwyddwr Addysg

Dear Parent / Carer

As we begin the summer term it is very pleasing to see all our children and young people back in school with the hope that the improving situation continues.

I make no apology for thanking our wonderful school workforce once again and I hope that with the support of our whole school community our children and young people can have a full term back in school with their friends, but for the improved situation to continue, we need your support.

### **Voluntary Lateral Flow Tests for years 7 and above**

The Welsh Government have announced the offer of regular asymptomatic lateral flow tests will now be extended to all secondary school pupils. The lateral flow home testing kits will allow students to test themselves twice a week. Learners will be able to collect their test kits from their school / setting and will test themselves at home. These tests continue to be part of a range of measures in place to help manage the transmission of the virus. The responsibility for managing the taking and reporting of the tests is with parents / carers and young people. If you chose to undertake the tests then it is really important that any positive results are reported and self-isolation requirements are met. I also hope they will provide some added reassurance that any positive cases will be identified early.

### **Masks**

Pupils in our secondary schools will be required to wear a mask in school if they are unable to keep the required distance from others. All secondary school pupils have been provided with three good quality masks that can be washed up to 50 times.

### **Key messages for keeping safe**

It is vital that that our children and parents continue to adhere to all rules under our tier of restrictions to enable further relaxing of rules. These include:

- Keeping your distance at school gates when dropping off and collecting your children. Please don't gather in groups at the school gates as tempting as it is stop for a chat.
- Making sure children are not mixing outside of school, including sleepovers or parties.
- Not sending your children to school if they are feeling unwell even if they don't have the main coronavirus symptoms.

Schools are as safe as they can be so please continue to play your part in stopping the spread of the virus – figures keep on improving but it has not gone away.

Regards

Helen Morgan-Rees  
Director of Education
